Expected Commitment.

- Read ahead of time, attend every session, be on time, and participate in discussion.
- If you know you cannot attend, (Illness, PTO, etc.) ask to join the other group that week.

Suggestions

- PLAN your time to read. At night in bed when you're tired is likely NOT your best time!
- Decide how many pages/day to keep up. Don't wait till 30 minutes before the meeting.
- Underline, highlight, make notes, even keep a journal of what you're learning.
- If listening on audio, make notes & find the page #s so you can discuss.
- If you fall behind, come to the meeting anyway. Double up the next week and catch up.
